## FREE EDUCATION PROGRAMME

The academic standard and the quality of the integral education offered at SSSIE has gone to the next level during 2022-23. The remarkable academic achievements and co-curricular excellences are the testimony to this statement. In spite of the fact that all these

achievements account for an increase in the budget in terms of salary paid to the teachers, in terms of the new infrastructure facilities, the school has continued its free education programme following the ideal of Bhagawan 'Education is not a commodity to be sold in the market'. When there is a hike observed in the fees paid by the parents in the outside school, SSSIE has been keeping up its core value of non-commercialization of the education. Swamy says, 'Money comes and goes, morality comes and grows!'. As is the school is only morality-minded, irrespective of the financial difficulties faced, with the immense support of the well-wishers such as Fivestar Business Finance Ltd. Chennai, Educational Services Foundation, USA, Wings Of Hope, London, individual donors etc., SSSIE continues its free education programme, supporting and helping the weaker sections of the society to get high quality education free of any tuition fee.

To solve the issue, 2 industrial washing machines and drier have been purchased and installed within the campus.

## NEW SPORTS EQUIPMENTS AND MUSIC INSTRUMENTS

SSSIE aims to develop students with overall personality skills. Equal importance is given to both curricular and co-curricular domains.

Students are trained in more than 10 sports streams such as Karate, Silambam, Gymnastics, Carrom, Yoga, Volleyball, Cricket etc. and in 10 Fine art streams such as Carnatic Vocal, Veena, Mridangam, Tabla, Drums, Violin etc. With the benign support of the well-wishers, new sports equipment and music instruments were purchased aiding students' regular coaching and practice.

## MCB – SMART SCHOOL APP

SSSIE is a pioneer school in leveraging technology to make education better. The first HCL digischool in India was implemented at SSSIE. Digital Library, e-Assessment, Language Lab, Smart Classrooms have been implemented in the campus to give a joyful and insightful learning experience to the students. As a next step, to ease the mode of communication with the parents as well as to automate all the school departments, MCB Smart school app has been started from 2022-23. Now, all the circulars, mark details etc. are sent immediately through the app to the parents.

## INSTALLATION OF SRI VEDA MATHA GAYATRI

Adding to the Divine and charming idols of deities present in the campus, the idol of Sri Veda Matha Gayatri was installed on 25<sup>th</sup> May 2023, as per the traditions mentioned in the Sastras.

Avaahanam and special Homam on Gayatri Matha and other deities were performed, led by the priest. Students regularly perform the chanting of Gayatri Mantra during various activities. The new Sri Veda Matha Gayatri installation will add fuel to their involvement and interest in chanting it.
